Here are the notes. Most of the time was spent on the presentation, so the notes are short. I have saved this file in the I drive folder with the consultation notes.

We did hold a webinar in Feb 2016 with the Santee Sioux environmental director in response to a request for a consultation meeting with her. I forgot to include those notes. I will do that. Thanks for catching that!

Hi Paul,
I have saved the documents you requested at

I am working on updating the NHPA compliance document and will save that document in this folder after Mike Boydston reviews it.

Subject: RE: Dewey Burdock - tribal consultation notes - 8 out of 10 now saved to I drive

Hi Paul,

I have saved my notes from 8 of the meetings on the I drive:

\\C0808F03EC005\Shar3\30 Day Share\Valois\Dewey
Burdock\1TribalConsultationRecord\TribalConsultationMeetingNotes

I have written notes from our meeting with the OST and CRST that I need to type up. They are back in the office. I will let you know once I have those done.

We still have a couple of upcoming consultation meetings: Santee Sioux, May 7 and Oglala Sioux Tribe, May 18.

The meeting we had with the CRST was not considered (by them) to be government-to-government consultation because it wasn't with the Tribal Council. I think we are still trying to schedule a meeting with the CRST Council, but haven't heard anything about it recently.

Thanks!

Valois,

As I'm starting to draft responses to comments regarding tribal consultation, could you help me with the following, which I'll ultimately need to complete drafting these responses to comments?
